Deferred due to lack of quorum.

3. New Business

Steve Haubner, the new Stormwater Manager, introduced himself and provided some background.

A PowerPoint presentation showed the overview of stormwater and the MS4 permits.

Minimum measures under the NPDES permit include:

- * Public Education and Outreach*
- * Public Involvement and Participation*
- * Illicit Discharge Detection and Elimination*
- * Development Runoff Controls*
- * Municipal Operations and Maintenance*

Some of the elements of these measures that the LSAC will be discussing in the near future include:

- * Stewardship opportunities*
- * Car wash program updates*
- * Private facility inspections*
- * Maintenance agreements*

There are several performance deadlines for the Phase II Municipal Stormwater Permit that the City must meet in the next few years.

** February 2016 - Public Education and Outreach - Target Audience Study and Evaluation*

** June 2017 - Development size thresholds, LID provisions, code review and updates to maintenance standards.*

** December 2017 - IDDE field screening*

Draft program priorities for each section of the Permit were discussed with the Committee.

4. Next Meeting

The next meeting will be scheduled at a later date.

5. Adjournment

With no further business to discuss, the meeting adjourned at 11 a.m.

Lisa Vertrees, Recorder
