SPECIAL PROPERTY USE PERMIT REVIEW CRITERIA AND DEVELOPMENT STANDARDS

In accordance with LMC 19.12.050, the Appeal Board of Adjustment shall exercise jurisdiction in receiving, granting or denying applications for Special Property Uses. No Special Property Use Permit shall be issued by the Board until after a public hearing, and until after the Building Official has found that all other provisions of the Longview Municipal Code have been fulfilled.

Criteria reviewed by the Appeal Board of Adjustment include:

- 1) The proposed use is consistent with the intended character of the zoning district and the operating characteristics of the neighborhood.
- 2) The proposed use will be compatible with existing or anticipated uses in terms of size, building scale and style, intensity, setbacks, or that the proposal identifies acceptable mitigation measures.
- 3) The transportation system is capable of supporting the proposed land use in addition to the existing land uses in the area. Evaluation factors include street capacity and level of service, availability of off-street parking to accommodate the proposed land use, access requirements, neighborhood impacts, and pedestrian safety.
- 4) Public services for water, sanitary and storm sewer, and to ensure that fire and police protection are capable of servicing the proposed land use and the immediate area.

Criteria that the Board utilizes to review all applications is established in LMC §19.12.050.
