3. Constituent Comment

*Bill Machin from #3 Terry Court address the board to speak about the cul-de-sac
area located at the end of his street. The grassy area has become a place where
cars park and the garbage tree constantly runs over the curb. He would like to see
the grassy area removed or reduced. Jennifer Wills let Mr. Machin know that his
area was not a park and that as a board could not address his concern. Jennifer let
Mr. Machin know that she would look into which department he should contact to
pursue his concern and would follow up with him the following business day.*

Lake Sacajawea Non-Profit Vendor - Lower Columbia School Gardens

Jennifer Wills let the board know that the Lower Columbia School Gardens has been chosen as a vendor through the request for proposal process. The proposal included selling Artisan Pizza at the Summer Concerts at the Lake for 2016. The vendor's price was the only topic of concern when presenting a draft agreement to the Lower Columbia School Gardens. The board discussed the price of the pizzas, but thought those who wished to purchase that type of pizza or wished to support Lower Columbia School gardens would pay the asking price and it was concurrent with other offerings at restaurants within the City. All Health Department and other applicable permits have been obtained at this time. Diane made a motion to support the agreement with Lower Columbia School gardens, Austi seconded the agreement and all were in favor of the support.
