Visual Arts Commission
City of Longview
c/o Jennifer Wills
Director Parks and Rec.

Dear Ms. Wills:

The Longview Outdoor Gallery is pleased to announce that our second exhibit 2013 to 2015 was successful. We were able to raise enough funds to purchase two sculptures that will be donated to the City of Longview. They are:

1. "People's Voice" winner entitled "Hound Dog" by Dan Klennert of Elbe, Washington. The sculpture is made from recycled metal and measures about 44 inches high, by 18 inches wide by 43 inches deep. It weighs 250 pounds. The insurance value of the piece is \$ 4,500.00

2. "Earth Spirit" by Kris Vermeer of Tacoma, Washington was 2nd place in "People's Voice". This piece is approximately 6 feet high. It weighs 150 pounds and is made of welded steel. The artist lists the insurance value of the piece as \$4,500.00.

Our procedures require that the VAC committee approve these sculpture gifts before they are donated to the city. Thank you for your prompt consideration.

Sincerely,

Jeanene LeRae
Longview Outdoor Gallery
