- **Foundation:**

- The Foundation met on Nov. 29th with all but one member in attendance. They are finalizing business card design and will be placing an order in December.
- Members voted to pursue involvement with the planning of a fundraiser in collaboration with the After Party at Shamrock Tavern for the Electrifying Shamrock Run in March.
- Members voted to collaborate with The Big Day Wedding and Event Expo in March to run a beer & wine tasting tent as a fundraiser for the Foundation.
- Grants progress:
 - The foundation did not receive the grant from Weyerhaeuser Giving Fund in the amount of \$29,000 they applied for to fund a renovated kitchen/multi-use space at The Boulevard Teen Center. They have been encouraged to apply again in the Spring when the fund is available for 2019, and will continue to pursue additional avenues for funding for this program.
 - The foundation launched a match grant on Nov. 15th to upgrade the Teen Center garden. The foundation participated in a crowd-

funding grant through SeedMoney (<https://donate.seedmoney.org/2423/the-boulevard-teen-center-life-skills-garden>) with a goal of raising \$1600.00 total (\$1200.00 in donations and \$400 in SeedMoney matching grant) for relocation and expansion of the garden to support the Life Skills cooking classes. They met the funding requirement of being among the first organizations to raise \$600 in donations to qualify for \$400 in matching funds from SeedMoney. They have raised a total of \$1,110.00 of their \$1200.00 goal for donations, and the fundraiser closes on Dec 15th.

- The foundation voted to pursue a grant through ALEA for funding to support the Kids Fish In.

There is \$5,778.10 remaining in the grant fund, which should be reimbursed upon final billing, which is in progress and will be submitted upon approval of the current billing.
