

SOUTHWEST WASHINGTON REGIONAL AIRPORT INTERLOCAL COOPERATION AGREEMENT

This agreement (AGREEMENT) is entered into between the City of Kelso (“Kelso”), a municipal corporation of the State of Washington; the City of Longview (“Longview”), a municipal corporation of the State of Washington; the Port of Longview (“Port”), a municipal corporation of the state of Washington; and Cowlitz County (“County”), a political subdivision of the state of Washington, all the above entities are each referred to as PARTY or jointly as the PARTIES. Additional governmental entities may be included in the AGREEMENT by addendum executed by all PARTIES existing at that time and the proposed additional PARTY.

NOW THEREFORE, The PARTIES agree as follows:

I. RECITALS

The Southwest Washington Regional Airport (“Airport”) is located within Kelso in Cowlitz County, Washington.

Kelso is currently the sole sponsoring agency for purposes of existing federal grants with the FAA and it is expected that this role will continue.

The PARTIES previously created an airport board for the joint operation of the airport. This agreement was terminated in 1997.

The continued operation of the Airport as a public airport is a benefit and service to the citizenry of the region and supports several public purposes for each of the PARTIES, including economic development and public safety, as well as improves opportunities for growth and alternatives for transportation.

The PARTIES wish to form an Airport Board to participate jointly in the operation, repair, improvement and regulation of the Airport for the benefit of the region.

The PARTIES are authorized to enter into and carry out the AGREEMENT pursuant to the provisions of Chapter 39.34 of the Revised Code of Washington (RCW), and RCW 14.08.200.

II. OBJECTIVES

The objectives of this AGREEMENT are as follows:

1. To establish an Airport Board (“Board”) to participate jointly in the funding and decision-making for the operation, repair, improvement and regulation of the Airport to assure the continued operation of the Airport for the benefit of all;
2. To make additional money available for operation, repair, and improvement of the Airport;

-
3. To define the rights and responsibilities, and risk allocation of the PARTIES in the operation, repair, improvement, and regulation of the Airport;
 4. To maintain Kelso's ownership of the Airport and all existing and FAA funded facilities therein;
 5. To maintain Kelso's rights and power and final decision making authority in all decisions as may be required of a sponsor by the FAA under the grant assurances included in Kelso's grant agreements.
 6. "To affirm the Parties' and the Board's intent is to keep the Airport open and make it available for public use as an airport, to protect the Airport, and to ensure continued safe and efficient Airport operations and development."

III. CREATION OF AIRPORT BOARD

Except as provided elsewhere in this Agreement and subject to all grant obligations and assurances as set forth in Paragraph IV below all operation and management of the Airport shall be vested in a Board. The Board shall consist of one (1) member of each PARTY to this Agreement and one (1) 'at large' member to be appointed by a majority vote of the other members. The term of the at-large member shall be set by the Board. Each member shall have one vote. Matters herein requiring a supermajority shall require a 2/3 vote of the jurisdictions or 3 of the 4 jurisdictions. All other matters will require only a majority vote of the Board unless otherwise provided by the Board's rules. The 'at large' member shall be in a managing/supervisory staff role for any of the entities a part of this Agreement or other designated employee if approved by each of the Parties. The appointment, termination, or reappointment of any member shall be within the sole discretion and control of the appointing authority and each appointing authority may appoint an alternate to serve in the absence, incapacity, or unavailability of any Board member appointed to it.

IV. GRANT ASSURANCES AND KELSO RATIFICATION

- A. Parties acknowledge and agree that Kelso is the sole sponsor for grants from the FAA and that such grants require Kelso to meet certain obligations and to make certain grant assurances that govern how the Airport is financed, operated, managed, and regulated.
- B. Parties agree that this AGREEMENT is subordinate to the FAA grant assurances and obligations and that the Board shall abide by these assurances and obligations as it relates to the Airport.
- C. Parties agree that the Board is subject to and its authority is limited by the grant assurances and obligations imposed upon Kelso by the FAA as set forth in Exhibits A, B, and C attached hereto and incorporated by reference and by such grant assurances as they may be from time to time amended or expanded by the sole determination of the FAA. The parties understand that such limitation is further clarified by FAA Order 5190.6B Airport Compliance Manual as now adopted or as hereafter amended by the FAA, including but not limited to Appendix G, Guide to Sponsorship, attached

hereto as Exhibit D and incorporated by reference. A request by Kelso to amend or expand grant assurances with the FAA must first be authorized by a super majority of the Board unless it is otherwise required that Kelso be the sole determining authority in a particular grant assurance.

- D.** Parties agree that where such grant obligations and assurances require that Kelso maintain the sole discretion and authority to make certain decisions as the sole sponsor, that such authority is vested solely with Kelso and that Kelso may act contrary to the direction of the Board in carrying out its role as sponsor. Kelso agrees that in the exercise of such authority that it will consider the advice and direction of the Board in reaching its decision and that where it acts contrary to the direction of the Board, it will provide an explanation in writing to the Board within ten (10) days of such contrary act stating its reasons for deviating from the Board's direction.
- E.** In reaching any decision required by Kelso by Kelso's grant obligations and assurances, the PARTIES agree to the following steps:
1. The Board will consider the matter and make a decision that is subject to the ratification of Kelso before it is final.
 2. The Board will bring the matter requiring ratification to Kelso.
 3. The Kelso City Council or their duly authorized representative/s will consider the matter including the preliminary decision of the Board and reach a final decision. Such a decision may be to ratify, amend, or deny the decision. In the event Kelso does not ratify the Board's decision, it will provide reasons therefor in writing to the Board.
 4. If time permits, the Board and Kelso will work to negotiate a resolution that is satisfactory to both parties.
 5. The final decision of Kelso in these matters is binding on the Board. The Board shall act consistent with Kelso's final decision. If the Board does not act consistent with Kelso's decision, Kelso is authorized to take such action as may be necessarily consistent with its decision, including termination of the AGREEMENT pursuant to Section IX..
- F.** Kelso agrees that all other discretionary authority related to the operation, repair, improvement, and regulation of the Airport that is not required to be vested with Kelso by the FAA under the grant assurances is hereby delegated to the Board pursuant to RCW 14.08.200.

4.
