

R.A. Long Park Improvements Project Update

**City of Longview
Historic Preservation Commission**

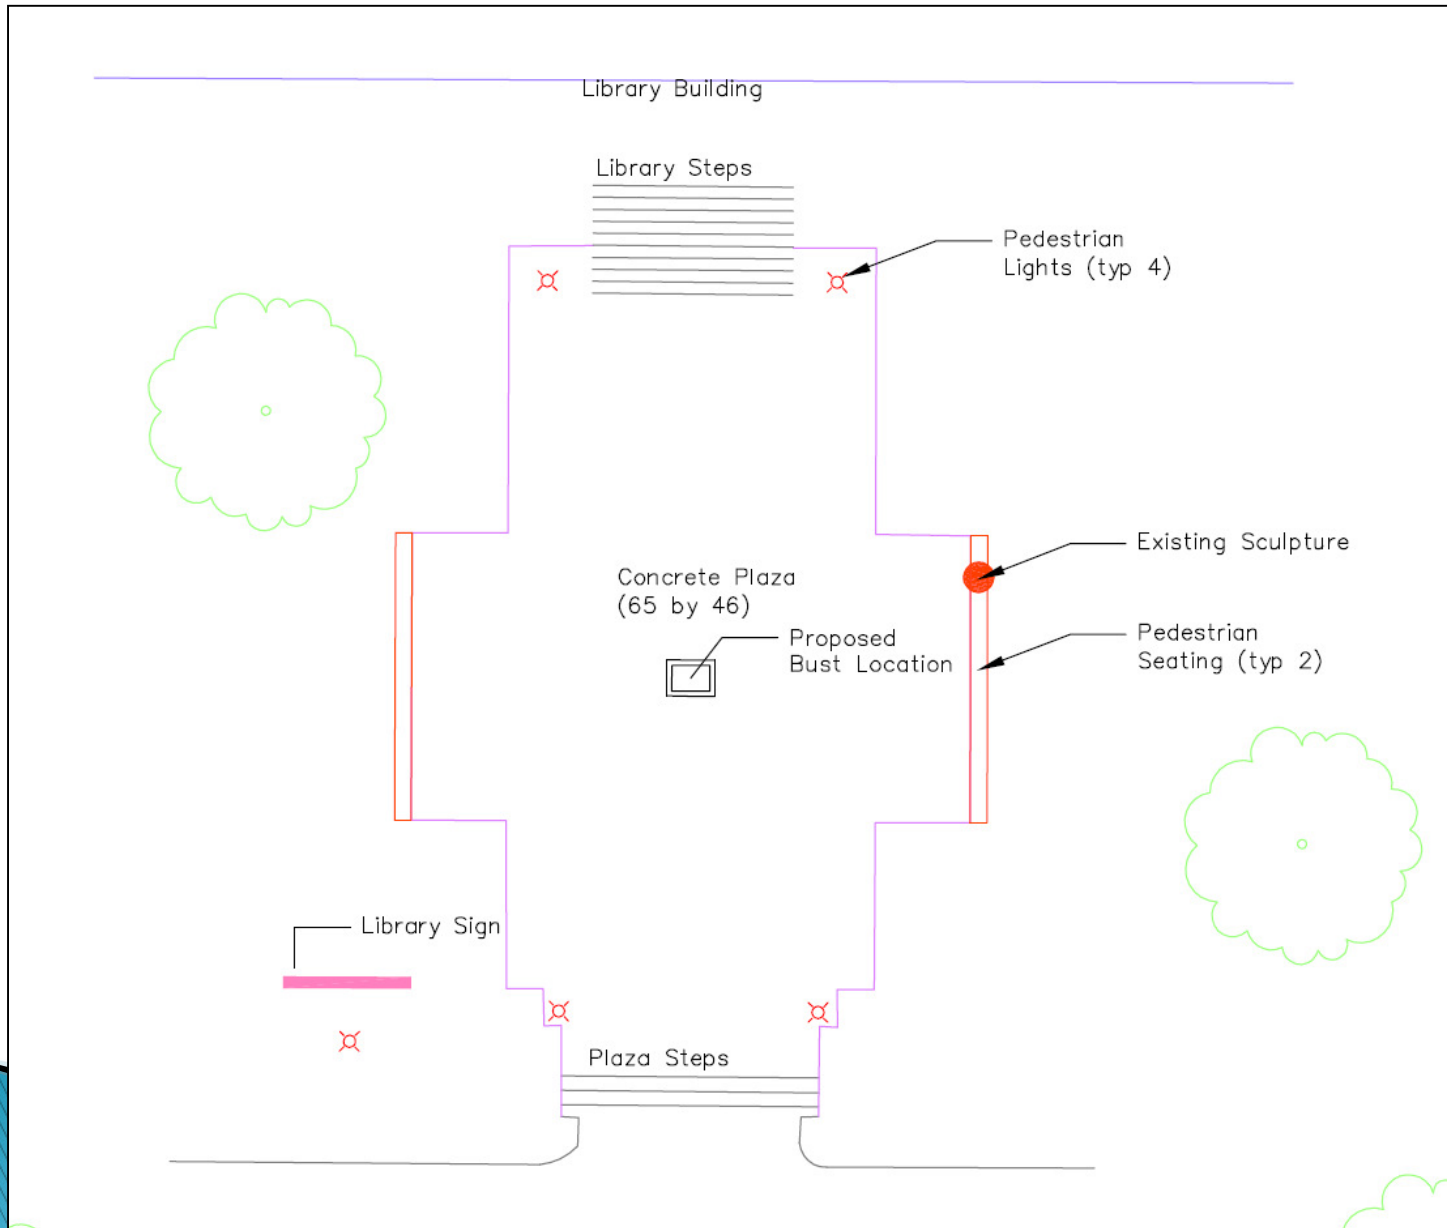

Ivona Kininmonth, Project Engineer

April 27, 2015

RA Long Bust

- Relocate Bust in front of the library as shown in the Master Plan

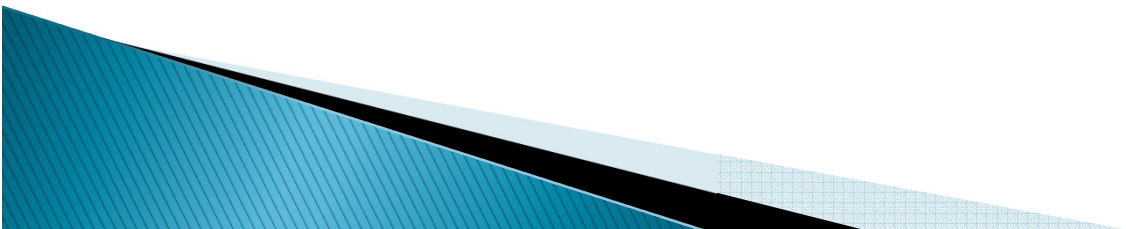

RA Long Bust (Cont.)

- ▶ Location provides prominent display of the Bust
- ▶ Location provides central focus on the Bust
- ▶ Location provides connection with the Library

Concern:

- ▶ Conceals the Library doorway from certain views

Concrete Replacement

- ▶ Replace the steps with accessible sidewalk on the west side of the plaza.
- ▶ Elevation of the sidewalk raised by 8", requiring adjustment of the sundial.

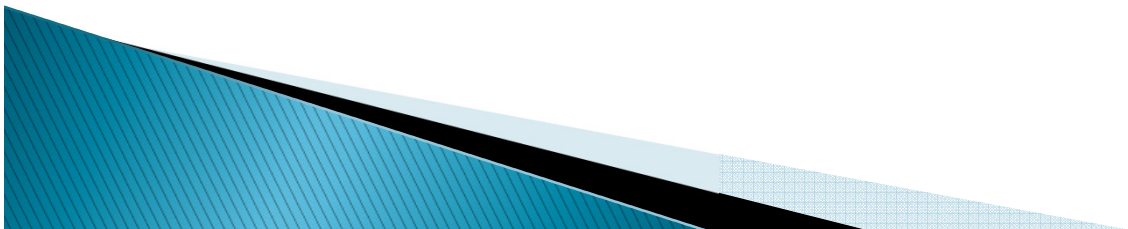

Concrete Finish in the Park

- ▶ Original concrete finish - layer of grout on top of aggregate
 - Not common practice today
 - Grout placed on top to conceal aggregate to provide smooth surface
- ▶ Sidewalk finish – comb finish
 - Some of the finish is worn out and hard to see
 - Tool for this type of finish may not be available

Concrete Finish Used Today

- ▶ Etched colored concrete
- ▶ Sidewalk finish – broom finish

Concrete Finish Used Today (Cont.)

At 15th and Nichols

Proposed Concrete Removal

- ▶ Section of concrete sidewalk is proposed to be removed to eliminate unmarked crossing ●
- ▶ All other sidewalks leading to removed crosswalks have been removed previously ■

Electrical Service

- ▶ Consolidate existing services and provide additional capacity
- ▶ Parks department requested new service to be fenced

Existing Services

Proposed Service
