

Minutes

Stormwater Advisory Committee

Monday, January 23, 2017

4:00 PM

City Hall

1. Roll Call

Present: 6 - Mike LaFave, Mike Davis, Carol Ruiz, Matt Swanson, Dean Gehrman and Eric Pucci

2. Approval of Minutes

None at this time

3. New Business

1. Input on 2017 Stormwater Management Program Plan

Staff solicited input on the proposed edits for the 2017 Stormwater Management Program (SWMP) plan. Additional comment were encouraged to be provided via email.

2. Public Education and Outreach Activities

All four local government parties (Longview, Kelso, Cowlitz County and CDID #1) have now approved the interlocal agreement for the Cowlitz CleanWater Partners collaborative stormwater public education effort. The group will proceed with planned outreach activities this year which include social media, brochures, posters, bus wraps, radio ads, and other activities. LSAC members are welcome to participate and provide input.

3. Stormwater Development Submittal Checklist

Review of the final (early 2017) stormwater submittal checklists based on the current stormwater requirements. These will be used as a template for the updated requirements to be adopted mid-year.

4. 2017 Stormwater Regulations Update

Staff provided a set of concept and draft documents to allow applicants to meet the new requirements for stormwater LID, including stormwater submittal checklists, a draft checkbox-based SWPPP template for small sites and a proposed screening checklist for the LID list approach for minimum requirement #5 for single-family residential developments. The goal is to provide a streamlined process for small sites and SFR applicants and tools that will assist customers. Group members expressed their agreement and support for this approach and encouraged staff to continue in this direction.

4. Adjournment

With no further business to discuss the meeting adjourned at 4:55 p.m.

Lisa Vertrees, Recorder
