Special Meeting

1. Roll Call

*Board Members Present: Ramona Lauzon, Anne Marie Carr, and Steve Moon
Staff Present: Jennifer Wills, Director*

2. Board Member Comments

There were no board member comments

3. New Business

A. Neighborhood Park Grant - Cloney Skate Park Design

Jennifer Wills gave an overview of the Neighborhood Park Grant application submitted by the non-profit group C.R.E.T.E. Culture to clean up and paint Cloney Skate Park. Jennifer let the board know that the Park and Recreation Advisory Board recommended the grant for funding and was now seeking a recommendation from the Visual Arts Commission due to the nature of the project. All Visual Arts Commission members spoke about the excitement for the project and that they believed the skaters would have a greater ownership of the park if able to take part in the project. Additionally, Ramona spoke about the fact that when art is put onto a surface (wall, bridge, skate park, etc) that it has been proven that vandals are less likely to paint over it.

Ramona made a motion to recommend the project, Anne Marie seconded the motion, and all were in favor.
