

COMPREHENSIVE PLAN UPDATE

City Council Workshop
May 12, 2016

Comprehensive Plan Update Progress Report

- Determined emphasis areas in late 2014 to early 2015
- CWOOG hired - October 2015

WORKSHOPS

- Kick-off - November 2015
- Public participation plan and schedule - December 2015
- Housing - January 2016
- Public facilities, Utilities, Services – February 2016

Comprehensive Plan Update Progress Report

Workshops continued

- Economic Development & Natural Environment – March 2016
- Land Use & Transportation – April 2016
- Land Use Inventory, review 2007 Goals, new goals discussion – May 2016

Comprehensive Plan Update Progress Report

- Revised public outreach strategy
 - Hold public outreach on individual emphasis areas before holding citywide public outreach
 - Results in more information for the general public and an opportunity to review concepts developed as part of the emphasis area outreach
 - Extends time frame for completing update
- Planning Commission recommends extending update completion date to June 30, 2017

Comprehensive Plan Update Progress Report

Next Steps:

- Develop presentations and schedule public outreach for emphasis areas
- Planning Commission continues evaluation of goals, objectives and policies in workshops
- Citywide public outreach in the Fall of 2016
