16.02.010 Adoption of International Building Codes.

Chapters 51-11R and 51-11C WAC (2012-2015 International Energy Conservation Code), Chapter 51-50 WAC (2012 2015 International Building Code), including the Appendix Chapter E, as further amended by Chapter 51-50 WAC, I and J, Chapter 51-51 WAC (2012 2015 International Residential Code), including the Appendix Chapters G and H, Chapter 51-52 WAC (2015 International Mechanical Code), and Chapter 51-56 WAC (2012 2015Uniform Plumbing Code and Uniform Plumbing Code Standards), together with amendments thereof and additions thereto, one copy of each of which is on file in the office of the city clerk of the city of Longview, shall be and is hereby adopted as the building code of the city of Longview for regulating and governing the conditions and maintenance of all property, buildings and structures; by providing the standards for supplied utilities and facilities and other physical things and conditions essential to ensure that structures are safe, sanitary and fit for occupation and use; and the condemnation of buildings and structures unfit for human occupancy and use and the demolition of such structures as herein provided; providing for the issuance of permits and collection of fees therefor; and each and all of the regulations, provisions, penalties, conditions and terms of said building code on file in the office of the city clerk of the city of Longview are hereby referred to, adopted, and made a part hereof, as if fully set out in this chapter, with the additions, insertions, deletions and changes, if any, prescribed in this chapter. (Ord. 3247 § 1, 2013; Ord. 3137 § 1, 2010; Ord. 3004 § 1, 2007; Ord. 2894 § 1, 2004).

16.02.020 Administrative provisions.

For the purpose of providing administrative provisions for the building code of Longview, including Chapters <u>51-11R</u>, <u>51-11C</u>, <u>51-50</u>, <u>51-51</u>, <u>51-52</u> and <u>51-56</u> WAC, Subchapter 1 of Chapter <u>51-50</u> WAC is hereby amended to read as follows:

Section 101.1 These regulations shall be known as the Building Code of the City of Longview, Washington, sometimes hereinafter referred to in this chapter as "this code."

Section 101.4.2, Mechanical, is amended to read as follows:

The provisions of the International Mechanical Code as amended by WAC <u>51-52</u> as adopted herein shall apply to the installation, alteration, repairs and replacement of mechanical systems, including equipment, appliances, fixtures, fittings and/or appurtenances including ventilating, heating, cooling, air-conditioning and refrigeration systems, incinerators and other energy-related systems.

Section 101.4.3, Plumbing, is amended to read as follows:

The provisions of the Uniform Plumbing Code as amended by WAC 51-56 as adopted herein shall apply to the installation, alteration, repair and replacement of plumbing systems, including equipment, appliances, fixtures, fittings and appurtenances, and where connected to a water or sewage system and all aspects of a medical gas system. Exception: When requested in writing by the permit applicant, on the permit application, the 2015 International Plumbing Code shall be considered an approved alternate for plumbing installations governed under the Uniform Plumbing Code. When approved Alternate plumbing codes are utilized, the entire plumbing installation shall be installed and governed under the provisions of the alternate code. The provisions of the State of Washington requirements for private sewage disposal shall apply to private sewage disposal systems.

Section 101.4.4, Property Maintenance, is amended to read as follows:

The provisions of the International Property Maintenance Code and Longview Municipal Code Chapter 16.32 (Unfit Dwellings and Structures) shall apply to all structures and premises; all equipment and facilities; all light, ventilation, space heating, sanitation, life and fire safety hazards; the responsibilities of owners, operators and occupants; and the occupancy of existing premises and structures.

Section 101.4.6, Energy, is amended to read as follows:

The provisions of the International Energy Conservation Code as amended in WAC <u>51-11R</u> and WAC <u>51-11C</u> as adopted herein shall apply to all matters governing the design and construction of buildings for energy efficiency.

Section 101.4.7, Electrical, is added to read as follows:

The provisions of the National Electrical Code as adopted in Longview Municipal Code Chapter <u>16.24</u> shall apply to the installation of electrical systems, including alterations, repairs, replacement, equipment, appliances, fixtures, fittings and appurtenances thereto.

Section 102.6, Existing Structures, is amended to read

The legal occupancy of any structure existing on the date of adoption of this code shall be permitted to continue without change, except as is specifically covered in this code, or the International Fire Code as set forth in LMC Title 18, or as is deemed necessary by the building official for the general safety and welfare of the occupants and the public.

Section 103.3, Deputies, is amended to read:

In accordance with the prescribed procedures of the City of Longview and with the concurrence of the appointing authority, the building official shall have the authority to appoint a deputy building official, the related technical officers, inspectors, plan examiners and other employees. Such employees shall have powers as delegated by the building official.

Section 104.1, General, is amended to read:

The building official is hereby authorized and directed to enforce the provisions of this code, including any requirements or regulations imposed on a project as a condition of a land use approval process, as those conditions relate to permit issuance as required in Section 105.3.1 and issuance of a certificate of occupancy as required in Section 111.2. The building official shall have the authority to render interpretations of this code and to adopt policies and procedures in order to clarify the application of its provisions. Such interpretations, policies and procedures shall be in compliance with the

intent and purpose of this code. Such policies and procedures shall not have the effect of waiving requirements specifically provided for in this code.

Section 105.2, Work Exempt from Permit, is amended as follows:

Subsections 1, 2, 4, 6 and 12 of Section 105.2 are deleted.

Subsection 11 of Section 105.2 is amended to read as follows:

Swings and other playground equipment.

Section 108.3, Temporary Power, is amended to read:

The building official is authorized to give permission to temporarily supply and use power in part of an electric installation before such installation has been fully completed and the final certificate of completion has been issued. The part covered by the temporary certificate shall comply with the requirements specified for temporary lighting, heat or power in the National Electrical Code as set forth in Longview Municipal Code Chapter 16.24.

Section 109.2, Schedule Permit Fees, is amended as follows:

On buildings, structures, electrical, gas, mechanical, and plumbing systems or alterations requiring a permit, a fee for each permit shall be charged and paid in accordance with the established fee schedules as set forth in Sections 109.2.1, 109.2.1.1, 109.2.1.2, 109.2.1.3, 109.2.2, and 109.2.3.

Section 605.2, Valves, is amended to read as follows:

A fullway valve controlling all outlets shall be installed on the discharge side of each water meter and on each unmetered water supply. Water piping supplying more than one building on any one premises shall be equipped with a separate fullway valve to each building, so arranged that the water supply can be turned on or off to any individual or separate building; provided however, that supply piping to a single family residence and building accessory thereto, may be controlled on one valve. All required shutoff or control valves shall be readily accessible. The valve controlling all outlets on the discharge side of the water meter shall be located within 18 inches of said meter, or at an otherwise well marked location as approved by the Administrative Authority. A fullway valve shall be installed on the discharge piping from water supply tanks at or near the tank. A fullway valve shall be installed on the cold water supply pipe to each water heater at or near the water heater.

Section 610.8, Size of Meter and Building Supply Pipe – Using Table 6-6, is amended to read as follows:

The size of the meter and building supply pipe shall be determined as follows:

(1) Determine the available pressure at the water meter or other source of supply;

- (2) Subtract one-half (1/2) pound per square inch pressure (3.4 kPa) for each foot (305 mm) of difference in elevation between such source of supply and highest water supply outlet in the building or on the premises;
- (3) Use the "pressure range" group within which this pressure will fall using Table 6-5;
- (4) Select the "length" column which is equal to or longer than the required length;
- (5) Follow down the column to a fixture unit value equal to or greater than the total number of fixture units required by the installation;
- (6) Having located the proper fixture unit value for the required length, sizes of meter and building supply pipe as found in the two left hand columns shall be applied. Final determination of water meter size shall be by the Department of Public Works. No building supply pipe shall be less than three-quarter (3/4) inch (20 mm) in diameter.

Section 719.1, Cleanouts, is amended to read as follows:

Cleanouts shall be placed outside the building near the connection between the building drain and the building sewer and extended to grade. Additional building sewer cleanouts shall be installed at intervals not to exceed one hundred (100) feet (30,480 mm) in straight runs, for each aggregate horizontal change in direction exceeding one hundred thirty-five (135) degrees (2.36 rad), and at the property line. Cleanouts located at the property line shall be provided with an approved cleanout access box.

Sec. 1011.0, Auto Wash Racks, is amended to read as follows:

Minimum Requirements for Auto Wash Racks.

Every private or public wash rack and/or floor or slab used for cleaning machinery or machine parts shall be adequately protected against storm or surface water and shall drain or discharge into an approved oil/water separator (clarifier), acceptable to the jurisdiction, connected to the sanitary sewer system.

Sec. 1014.0, Grease Interceptors, is amended to read as follows:

Grease Interceptors

When, in the judgment of the Administrative Authority, waste pretreatment is required, an approved type grease trap complying with the provisions of this section shall be installed and at all times kept in proper working order in the waste line leading from sinks, drains, and other fixtures or equipment in the following establishments: restaurants, cafes, lunch counters, cafeterias, bars and clubs, hotels, hospitals, sanitariums, factory or school kitchens, or other establishments where grease may be introduced into the drainage or sewerage system in quantities that can effect line stoppage or hinder sewage treatment or private sewage disposal. A grease interceptor is not required for individual dwelling units or for any private living quarters. Plans shall be submitted to and approval obtained from the Administrative Authority prior to the installation of any waste pretreatment facilities in any food establishment set forth in this section.

(Ord. 3247 § 1, 2013; Ord. 3137 § 1, 2010; Ord. 3004 § 1, 2007; Ord. 2894 § 1, 2004).

<u>Section 2</u> If any section, subsection, sentence, clause or phrase of this ordinance is, for any reason, held to be unconstitutional, such decision shall not affect the validity of the remaining portions of this ordinance and the same shall remain in full force and effect. The City of Longview hereby declares that it would have passed this ordinance, and each section, subsection, clause or phrase thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses and phrases be declared unconstitutional.

Section 3. That nothing in this Ordinance hereby adopted shall be construed to affect any suit or proceeding impending in any court, or any rights acquired, or liability incurred, or any cause or causes of action acquired or existing; nor shall any just or legal right or remedy of any character be lost, impaired or affected by this Ordinance.

<u>Section 4.</u> That the City of Longview City Clerk is hereby ordered and directed to cause this Ordinance to be published.

<u>Section 5</u>. Any act consistent with the authority and prior to the effective date of this Ordinance is hereby ratified and affirmed.

Section 6. This Ordinance shall be in full force and effect from and after July 1, 2016.
