Title and brief description of project: Babe Ruth Baseball 15-year-old World Series, August 2018

The group has been responsible for bringing the 1990, 1997, 2001, 2004, 2009 and 2014 events to our area. The tentative rights are contingent on receiving the necessary community support and funding. The City of Longview has been instrumental in providing funding of past tournaments.					
This event has been well received as a vehicle to showcase our community to the rest of the United States. It is a cultural event, tourism event, entertainment event and community pride event.					
Past Babe Ruth World Series tournaments in Longview has also been successful enough to show profits that were given back to the community as donations to local youth projects. The 2018 Babe Ruth World Series would be held at Story Field on the Lower Columbia College campus.
