The provisions of the City's Human Resources Manual and Transit Operators Handbook as amended from time to time, shall apply to all questions and issues not specifically covered by this Agreement. When there are changes that impact employees represented by the Union, the City will give the Union President and/or designee a period of ten (10) business days to comment.
- C. Upon contract ratification, the City shall initiate the development of a Transit Operator's Handbook and shall collaborate with the Union to review draft handbook provisions. The draft Transit Operator's Handbook, when completed, shall be provided to the Union President and/or designee who shall have 10 business days to comment before finalization and distribution.

Article 2 - Management Rights

- A. Except as otherwise expressly and specifically limited by the terms of this Agreement, the Employer retains all its customary, usual and exclusive rights, decision-making, prerogatives, functions, and authority connected with or in any way incidental to its responsibility to manage the affairs of the Employer or any part of the Employer. The rights of employees in the bargaining unit and the Union hereunder are limited to those specifically set forth in this Agreement, and the Employer retains all prerogatives, functions and rights not specifically limited by the terms of this Agreement. The Employer shall have no obligation to negotiate with the Union with respect to any such subjects or the exercise of its discretion and decision-making with regard thereto, any subjects covered by the terms of this Agreement and closed to further negotiations for the terms hereof, and any subject which was or might have been raised in the course of collective bargaining but is closed for the term hereof.
- B. Without limitation, but by way of illustration, the exclusive prerogatives, functions and rights of the Employer shall include the following:
 - 1. To direct and supervise all operations, functions and policies of the Employer in which the employees in the bargaining unit are employed.
 - 2. To close or liquidate an office, branch, operation or facility, or combination of facilities, or to relocate, reorganize, or combine the work of divisions, offices, branches, operations or facilities for budgetary or other reasons.

3. To determine the need for a reduction or an increase in the work force and the implementation of any decision with regards thereto.
 4. To establish, revise, and implement standards for hiring, classification, promotion, quality of work, safety, materials, uniforms, appearance, equipment, methods, and procedures.
 5. To implement new and to revise or discharge, wholly or in part, old methods, procedures, materials, equipment, facilities and standards.
 6. To assign and distribute work.
 7. To assign shifts, workdays, hours of work, and work locations.
 8. To determine the need for and the qualifications of new employees, transfers and promotions.
 9. To discipline, suspend, demote or discharge an employee.
 10. To determine the need for additional educational courses, training programs, on-the-job training, and cross training, and to assign employees to such duties for periods to be determined by the employer.
 11. It is jointly recognized that the Employer must retain broad authority to fulfill and implement its responsibilities and may do so by oral and written work rule, existing or future.
- C. The exercise of any management prerogative, function, or right which is not specifically modified by this Agreement is not subject to the grievance procedure, to arbitration, or as set forth above, to bargaining during the term of this Agreement.

Article 3 - Union Security

- A. All members within the scope of this Agreement shall become members of the Union within thirty-one (31) calendar days from their date of hire and shall remain members in good standing as a condition of continued employment with the Employer. It is recognized that the employees may remove the Union provided a petition is submitted to the Public Employment Relations Commission not less than sixty nor more than ninety days prior to the expiration of this Agreement.
- B. Pursuant to state law, the right of association shall not be required of employees who object and are bona fide members of a church or religious body whose religious tenets or teachings prohibit membership in employee unions. However, every such employee shall pay an amount of money equivalent to regular Union dues and initiation fees to a non-religious charitable organization mutually agreed upon by the employee affected and the Union. The employee shall furnish written proof that such payment has been made. If the employee and the Union do not reach agreement on such matters, the charitable organization shall be designated in accordance with State law.
- C. The Employer agrees to deduct, once a month, Union dues and initiation fees uniformly required of membership from the pay of those employees who request in writing that such deductions be made. The total amount of these deductions shall be remitted, by the Employer to the Treasurer of the Union. If an employee has no compensation earned for the month, or insufficient compensation to cover the dues or fair share payment in lieu of dues, no deduction shall be made from the employee's pay for that month.

- D. The Union may, twice per year, change the schedule of Union dues and initiation fees without assessment of an administrative fee by the Employer. If additional changes are requested during the year, the Employer is authorized to charge the Union a service fee of three dollars (\$3.00) per employee each time the Union changes the schedule of Union dues and initiation fees. The Union shall remit the appropriate amount to the Employer by the tenth day of the month in which notice of the Union dues or initiation fee change is received by the Employer.
- E. The Union agrees to defend, indemnify, and hold the Employer harmless against any and all claims, demands, suits, or other form of liability that may arise out of or by reason of any action taken or not taken by the Employer under the provisions of this Article.
- F. The provisions of this Agreement shall be applied equally to all employees in the bargaining unit without discrimination as to age, sex, marital status, race, color, creed, religion, national origin, political affiliation, veteran status, or mental, physical, or sensory disability or any other legally protected status unless there is a bona fide occupational qualification. The Union and the Employer shall share equally the responsibility for applying this provision of the Agreement. Employees believing themselves to have been the subjects of unlawful discrimination shall seek relief through the appropriate Federal or State agency charged with investigating such matters. This provision of this Agreement shall not be subject to the grievance procedure contained in Article 6 of this Agreement.

Article 4 - Strikes and Work Actions

- A. The Union and the members of the bargaining unit, as individuals or as a group, will not initiate, cause, permit, or participate or join in any strike, work stoppage, slowdown, picketing, or any other restriction of work while on duty. Employees in the bargaining unit, while acting in the course of their employment, shall not honor any picket line established by the Union or any other labor organization when called upon to cross such picket line in the line of duty. The Union recognizes that disciplinary action including discharge, may be taken by the Employer at its discretion against any employees engaged in a violation of this Article subject to just cause. Such disciplinary action may be undertaken selectively at the option of the Employer and shall not preclude or restrict recourse to any other remedies, including an action for damages, which may be available to the Employer.
- B. In the event of a strike, work stoppage, slowdown, picketing, observance of a picket line, or other restriction of work in any form, either on the basis of individual choice or collective employee conduct, the Union will, within one (1) hour of such notification by the Employer, attempt to secure an orderly return to work within two (2) hours of such notification. This obligation and the obligations set forth in paragraph A above shall not be affected or limited by the subject matter involved in the dispute giving rise to the stoppage, or by whether such subject matter is or is not subject to the grievance procedure and arbitration provisions of this Agreement.
- C. It is understood that employees shall not be entitled to any benefits or wages whatsoever while they are engaged in a strike, work stoppage or other interruption of work while on duty.

- D. The City shall not institute a lockout of employees due to any contractual dispute between the Union and the City of Longview.

Article 5 - Union Activities

- A. No Union member or officer shall conduct any Union business on Employer time or Employer premises unless authorized by the Employer.
- B. The Employer agrees to recognize two (2) shop stewards to represent the employees of the bargaining unit, any one of which shall be sufficient to represent an employee of the bargaining unit.
- C. The Employer agrees to permit duly authorized representatives of the Union to have access to the Employer's premises for the purpose of adjusting grievances or conferring with other Union members, subject to security regulations; provided that such representative obtains advance permission from the City Manager or designee, notifies the City Manager of the reason for his/her presence, and does not interfere with the Employer's operations.
- D. The Union will be permitted to erect one (1) bulletin board in a location designated by the Employer. No materials shall be posted except notices of Union meetings and elections, election results, changes in Union by-laws, notices of employee social occasions and similar Union notices, letters and memoranda. All material shall be signed by an officer of the Union. The Union will limit the posting of any material on the Employer's premises to its bulletin board. Space for suggestion box will be provided as well.
- E. The City agrees to allow the Union to conduct official Union meetings in the Transit Lunch Room or other mutually agreeable location pursuant to established facility procedures, provided that the Union receives prior approval of the meeting time and such activity does not result in an additional cost to the City.

Article 6 - Grievance Procedures

- A. The purpose of this grievance procedure is to provide an orderly method for resolving grievances and there shall be no suspension of work or interference with the operations of the Employer. The parties agree that every effort should be made to resolve matters informally with the first level supervisor or others as appropriate, to settle dispute/grievances at the lowest possible level. The union/and or grievant and the appropriate employer representative shall meet, if necessary to attempt to resolve the grievance at any step.
- B. For the purpose of the Agreement, a grievance is defined as only those disputes involving the interpretation, application, or alleged violation of any provision of this Agreement.

Grievances shall be processed in accordance with the following procedures within the stated time limits:

- C. Steps in the grievance procedure:

1. **Step 1:** The claimed existence of a grievance should be presented by the grievant and the Union to the Transit Manager or his/her designee as soon as possible but not later than ten (10) business days following the date of the occurrence or circumstances giving rise to the grievance. The grievance shall be presented in writing on a form agreed to by both the union and Employer. The Transit Manager or his/her designee shall respond in writing to the grievance within ten (10) business days.
2. **Step 2:** If the Union is not satisfied with the disposition of the grievance at Step 1, the Union shall present the grievance to the Public Works Director within fifteen (15) business days of the response at Step 1. The Public Works Director or his/her designee shall respond in writing to the grievance within fifteen (15) days.
3. **Step 3:** If the Union is not satisfied with the disposition of the grievance at Step 2, the Union shall submit the written grievance to the City Manager within fifteen (15) business days of the Public Works Director's response. The City Manager or his/her designee shall respond in writing to the grievance within fifteen (15) business days.
4. **Step 4: Mediation:** In the event the grievance is not resolved within fifteen (15) business days after its submission to the City Manager and the Union wishes to pursue it further, the parties shall decide whether to submit the grievance to mediation. This step requires mutual agreement within fifteen (15) business days from receipt of the Step 3 response. If this step is mutually agreed to, the parties shall request the Washington Public Employment Relations Commission to assign a mediator to meet with the parties to attempt to reach a resolution of the grievance. The mediator shall have no authority to direct or require a specific resolution of the grievance, but will work with the parties to explore the merits of the grievance and possible resolution of it. Either side may terminate mediation.
5. **Step 5: Arbitration:** In the event the grievance is not resolved through mediation and the Union wishes to pursue it further, it shall within fifteen (15) business days of receipt of the notice of completion or termination of mediation at Step 4, refer it to arbitration. If mediation is not used, the Union shall have fifteen (15) business days from receipt of the Step 3 response to refer the matter to arbitration. Such referral shall be in writing delivered to the /Transit Manager with a copy to the City Human Resources Department. The parties shall jointly request the Federal Mediation and Conciliation Service to provide a list of seven (7) arbitrators from the Oregon-Washington region from which the parties may select one (1). Any arbitrators considered must be members of the National Academy of Arbitrators (NAA).

The representatives of the City and Union shall alternately eliminate the name of one person from the list until only one name remains, with the parties flipping a coin to see which party strikes first. The last name left on the list shall be the arbitrator.

- a. All meetings and hearings under this procedure shall be kept informal and private and shall include only such parties in interest and/or their designated representatives. The arbitrator shall render a decision based on the interpretation and application of the provisions of the Agreement within sixty (60) business days from the date of the formal hearing. The arbitrator shall be limited to interpreting this Agreement and

determining if the disputed article has been violated. The arbitrator shall have no authority to alter, modify, vacate, or amend any terms of this Agreement or to substitute its judgment on matter or condition for that of the Employer where the Employer has not negotiated and limited its authority on the matter or condition. Neither shall the arbitrator make any award that shall involve action by the Employer or the Union that is beyond the jurisdiction of either party. The decision of the arbitrator within these stated limits shall be final and binding on both parties.

- b. No issue whatsoever shall be arbitrated or subject to arbitration unless such issue results from an action or occurrence which takes place following the execution date of this Agreement, and no arbitration determination or award shall be made by the arbitrator which grants any right of relief for any period of time whatsoever prior to the execution date of this Agreement. In case of a grievance involving any continuing or other money claim against the Employer, no award shall be made by the arbitrator which shall allow any accruals for more than ten (10) business days prior to the date when such grievance shall have first been presented.
 - c. Expenses for the arbitrator's services and cost of the report of proceedings shall be borne equally by the parties. However, each party shall be completely responsible for all costs of preparing and presenting its own case, including compensating its own representatives and witnesses.
 - d. It is specifically and expressly understood and agreed that taking a grievance appeal to arbitration constitutes an election of remedies and a waiver of any and all rights by the appealing employee, the Union, and all persons it represents to litigate or otherwise contest the appealed subject matter in any court or other available forum.
 - e. In the event the arbitrator finds that it has no authority or power to rule in the case, the matter shall be referred back to the parties without decision or recommendation on the merits of the case.
- D. Any and all time limits specified in the grievance procedure may be waived by mutual agreement of the parties. Failure by the employee or the Union to submit the grievance in accordance within these time limits without such waiver shall constitute an abandonment of the grievance. Failure by the Employer to submit a reply within the specified time limits shall constitute a violation denial of the grievance.
- E. Business days shall be defined as Monday through Friday.

Article 7 - Wages

- A. Basic wages for employees in the bargaining unit shall be in accordance with the following schedule:
- 1. Effective January 1, 2016 all salaries shall be increased by 0.60%.

3. A Casual Transit Operator is an employee who operates a fixed route transit vehicle to fill open pieces of work. Casual Transit Operators do not have regularly scheduled hours, nor do they work a minimum number of hours per week. These employees work on an "on-call", "as-needed" basis, except that Casual Transit Operators may be scheduled for known open work for a two-week period of time. Such schedule may be determined and published up to one week in advance of the two-week schedule.

4. Regularly Scheduled: Work scheduled and assigned through shift bidding for the duration of Shake-Up. For Full-Time and Part-Time Operators, regularly scheduled work shall include two consecutive days off. Casual Operators' two-week schedules are not considered regularly scheduled work.

The employer will endeavor to make as many straight runs as possible
 7. Extra Board is a piece of work assigned to an Operator to be on duty, performing a variety of tasks including but not limited to vehicle start up, checking, and re-supply. The Operator must be available to operate a transit vehicle on a fixed-route piece of work during and immediately following the Extra Board piece of work due to an unscheduled absence of the Operator regularly scheduled for that route. In the event the Extra Board operator's unscheduled filling of a shift, when combined with the Operator's scheduled shifts for that work week, will result in the Operator working overtime, the Employer shall release scheduled whole pieces of work from that Operator which would have been paid at the overtime rate. Such released pieces of work will become open work and will be filled in accordance with the Non-Overtime Open Work or Overtime Open Work procedures, as applicable.
 8. Open Work is a piece of work that is either not assigned to a bidded shift or has been released from a bidded or assigned shift for any reason, including but not limited to, operators utilizing paid or unpaid leave. Some pieces of work remain unassigned and become open work after developing shifts for full-time and part-time operators. Pieces of work filled by the Extra Board due to another operator's unscheduled absence are not open work.
 9. Overtime is defined as authorized work performed in excess of forty (40) hours within the work week as designated. All overtime shall be compensated at the rate of time-and-one-half of the employee's regular rate of pay.
- A. The Employer will pay a minimum of two (2) hours at the Operator's applicable rate of pay to an Operator scheduled for or called in for any assignment that is not contiguous to their regularly scheduled work shift, provided the Operator works the assignment. The Employer will pay to an Operator, at the Operator's applicable rate of pay, for actual hours worked when the Operator is scheduled for or called in for any assignment contiguous to their regularly scheduled work shift. An Operator shall not be eligible for compensation if they are called in for an unscheduled assignment, but are cancelled within ten (10) minutes of acknowledging or accepting the assignment..

- B. A Full-Time or Part-Time Operator who is required to work on his/her regularly scheduled day off shall be paid at the rate of time-and-one-half the Operator's regular rate of pay for all time worked.
- C. Except as otherwise noted in this agreement, paid leaves, e.g. vacation, holiday, floating holiday, and sick leave will be treated as time worked for the purpose of calculating overtime.
- D. Whenever two or more overtime or premium rates of pay may appear applicable to the same hour or hours worked by an employee, there shall be no pyramiding or adding together of such overtime or premium rates and only the higher of his/her applicable rates shall apply.
- E. Non-Overtime Open Work
 - 1. Open Work remaining after developing bidded shifts will normally be assigned to Casual Operators in two-week periods of time. Open work that later becomes available will be offered to Casual and Part-Time Operators, in that order, provided it will not result in overtime.
 - 2. The Casual Operator with the fewest hours assigned for the week will receive the first offer for the available piece of open work. If that Operator declines the work, the work will be offered to the Casual Operator with the next fewest hours assigned for the week. This process continues until all Casuals have been offered the work, provided it would not result in overtime.
 - 3. If no Casual Operator accepts the work, the open work will be offered to the Part-Time Operator with the fewest number of hours. If that Operator declines the work, the work will be offered to the Part-Time Operator with the next fewest hours assigned for the week. This process continues until all Part-Time Operators have been offered the work, provided it would not result in overtime.
 - 4. Should the open work remain unfilled, the work will be assigned to the least senior Part-Time Operator.
 - 5. Open work will be offered to Operators via voice telephone, two-way radio, or mobile data terminal messaging on fixed route vehicles. If an Operator does not answer or respond, the work will be offered to the next Operator on the list. No waiting period is required before offering the work to the next Operator.
 - 6. Operators on approved leave will not be offered non-overtime open work.
- F. Overtime Open Work
 - 1. If open work cannot be filled without resulting in any Operator working more than forty (40) hours in a work week, that open work becomes overtime open work and will be offered to Operators based on classification and seniority.
 - 2. Overtime open work will be offered first to the most senior Full-Time Operator. If that Operator declines the work, the next most senior Full-Time Operator will be offered the work. This process continues until all Full-Time Operators have been offered the overtime work.
 - 3. If the offer of overtime work is not accepted by any Full-Time Operator, the work will be offered to the most senior Part-Time Operator. If that Operator declines the work, the next most senior Part-Time Operator will be offered the work. This process continues until all Part-Time Operators have been offered the overtime work.
 - 4. If the offer of overtime work is not accepted by any Part-Time Operator, the work will be offered to the Casual Operator with the fewest hours assigned for the week.

5. In the event no one accepts the offered open work, the least senior Full-Time Operator not on approved leave will be required to work the open piece of work.
 6. Overtime open work will be offered to Operators via voice telephone, two-way radio, or mobile data terminal messaging on fixed route vehicles. If an Operator does not answer or respond, the work will be offered to the next Operator on the list. No waiting period is required before offering the work to the next Operator.
 7. Operators on approved leave will not be required to work if no other Operator accepts the offer of overtime open work.
- G. In the event open work is not filled prior to two (2) hours in advance of its scheduled start time, the work may be assigned at the discretion of the Employer to meet its operational needs and ensure public transit service is maintained.
- H. Shift assignment schedules shall include fifteen (15) minutes preparatory time for runs commencing at the Employer's maintenance base which require the Operator to start and pre-trip a fixed route coach for its first run of the day.
- I. Nothing in this section shall be interpreted as a limitation on the Employer's ability to require any employee to work overtime.
- J. A Casual Operator's continued or repeated unavailability for work shall be cause for dismissal, except when the operator is not available because of an approved leave authorizing the Operator to be unavailable for work.
- K. Scheduling Random Drug Tests: If a test is taken during a scheduled meal break, the operator will receive a meal break of not less than 30 consecutive minutes.
- L. Pursuant to RCW 49.12.187, as amended by SSB 6054, Laws of 2003 C.401, the parties agree to waive the rules and policies adopted by the Department of Labor and Industries in WAC 296-126-092 under the Industrial Welfare Act with respect to meal periods. Operators are entitled to meal periods that begin up to 6.0 hours after the beginning of the Operator's shift start time.
- M. Nothing in this article constitutes a waiver by the Union to bargaining the affects/impacts as required by law.

Article 9 - Insurance

- A. The City agrees to provide health care and \$50,000 life insurance, with the option to provide coverage for their dependents, Long Term Disability with a 90 day waiting period and Employee Assistance Program to all Regular Full-Time and Regular Part-time Transit Operators.
- B. The City, after consultation with the Benefits Committee, has complete authority to choose and change the providers of the medical, dental vision, life insurance, Long Term Disability Insurance and EAP benefits. The union reserves the right to bargain over the impacts of any substantial changes to plan design of benefits levels.

Employees covered by this agreement will be given the option to choose Willamette Dental or Washington Dental Service for dental coverage. The City will hold an open enrollment period annually to allow employees to make their dental selection.

C. During the term of this agreement the city will pay:

1. For 2017, effective the first month following all ratifications and Open Enrollment completion, for all eligible regular employees and eligible dependents, the Employer will pay 100% of the premium costs of either the AWC/Regence HSA Qualified High Deductible Health Plan or the Kaiser Permanente Washington HSA Qualified High Deductible Health Plan. Union employees obtaining Healthcare coverage from the Employer shall select from one of these two plans; no other Healthcare plans will be offered. , the City will fund a Health Reimbursement Arrangement (HRA) at the rate of either \$125.00/month for single employees or \$250.00/month for employees with one or more dependents. This HRA fund will be drawn down by any deductible medical expense payments during the calendar year. Any HRA funds remaining in the account of the employee at the end of the calendar year, minus any claimed deductible expenses for that calendar year paid prior to April 1 of the following year, will be transferred to the employee's personal VEBA account on or before April 10 of the following year. HDHP deductible expenses incurred by the employee and/or their dependents that exceed the employee's HRA balance shall be paid by the Employer.
 2. After the annual HDHP deductible is satisfied, the Employer will pay the employee's and/or their dependents co-insurance amounts of the allowed and covered medical expenses per the SPD, not to exceed the HDHP out-of-pocket maximum.
 3. Covered medical expenses per the SPD that exceed the HDHP out-of-pocket maximum, will be paid at 100% by the HDHP.
 4. Claims, billings, refunds, account balances, and HRA transfers to VEBA accounts will be managed by a Third Party Administrator (TPA) selected by the City.
 5. The City will pay 80% of the applicable tiered premium for Dental Insurance (Delta Dental Plan F or Willamette Dental).
 6. The City will pay 100% of the premium for Vision Insurance (VSP or Kaiser Vision Rider).
1. Effective January 1, 2018, for all eligible regular employees and eligible dependents, the Employer will pay 95% of the premium costs of either the AWC/Regence HSA Qualified High Deductible Health Plan or the Kaiser Permanente Washington HSA Qualified High Deductible Health Plan. Union employees obtaining Healthcare coverage from the Employer shall select from one of these two plans; no other Healthcare plans will be offered.
 - 2.

- D. An employee that chooses to be insured under a medical plan as a dependent (i.e. insured via a spouse's medical insurance plan), upon providing proof of said insurance coverage can elect to receive \$900 per month City paid contribution into a Voluntary Employee Benefit Association (VEBA) account in lieu of enrolling in the City's medical insurance coverage plan. At no time shall the number of ATU employees electing VEBA exceed their percentage representation within the total employee census. This clause is to ensure that the City's standing in the AWC Trust is not harmed. Underwriting rules prohibit more than 25% of the City's employees from opting out of medical coverage. Example: In 2011 ATU employees represent 3% of the total City FTE. Twenty-five percent (25%) of this number equals two (2) employees that may participate in VEBA. The City will recalculate this number each year based on the employee census on September 30. The union president will be notified annually of the maximum number of employees who may enroll in VEBA. If the number of employees reaches the maximum, no ATU members will be allowed to newly elect VEBA until the number of participating ATU employees is below the maximum pro-rated amount.

In the unlikely event that ATU employees exceed their allowed pro-rated representation in VEBA, the last employee joining may be required to drop their VEBA election and join one of the City sponsored medical plans.

- E. An employee opting out of medical/vision insurance coverage but electing to be covered by dental insurance will contribute; 20% of the tiered premium in place for that calendar year.
- F. The above benefits are available to Regular Part-Time Transit Operators at the following City-paid premium portions.

Regular Scheduled Hours per Workweek		City Paid Portion
At Least	Less Than	Percent (%)
20	26	71.0
27	32	92.5
32+		100.0

- G. Effective January 1, 2016, the City to pay for first time and renewal Commercial Driver License (CDL) fees.

The City also agrees to pay the cost of DOT physical examinations by the City's contracted provider once per year. The City will pay the cost of one CDL physical examination per new license of license renewal. Should the employee fail the CDL physical examination, the employee shall be responsible for the costs of all future or repeat examinations to obtain the new license or license renewal.

Article 10 - Longevity
