The Visual Arts Commission reviewed the proposed sculptures to be entered into the Rotating Gallery for the downtown street scape. Each piece was discussed in turn about the merits, materials, and how each piece would fit within the city.

Steve Moon made a motion to approve all pieces with the exception of the Visor Family to be voted on separately. The motion died for a lack of a second. Deborah made a motion to approve all of the pieces in total with a contingency that the Visor Family be installed only if they could be placed all together and not as single pieces. Sue seconded the motion and all were in favor.

4. Adjournment

Meeting was adjourned at 5:35pm.
