

ALCOHOL POLICY - DRAFT

City of Longview - Parks

CURRENT PARK CODE:

Park Code (**LMC 13.01.190 – Possession or consumption of alcoholic beverages in public parks**) states that it is unlawful for any person to consume or possess any unsealed or opened container of alcoholic beverage in a public park; provided, this prohibition shall not apply to organized groups which have secured a permit from the director and, if required, from the Washington State Liquor Control Board.

DRAFT POLICY

The consumption of alcoholic beverages is prohibited at all City of Longview parks and other outdoor public places, unless:

- a Special Event Permit has been awarded
- permission for serving and consuming of alcohol has been granted
- the event takes place within approved sites
- the subsequent conditions laid out within the following sections are followed

- Applicant is required to submit a Special Event Application, Request to Serve Alcohol Application, and all accompanying documentation to the Parks and Recreation Department Office a minimum of 60 days prior to the event.
- A “City of Longview” Special Event Permit may be required in addition if the event significantly impacts public sidewalks, public roadways, or emergency services.
- This alcohol policy applies only to events open to the public. Private events will not be permitted.
- The Special Event is held at one of the following permitted sites:
 - a. R.A. Long Park
 - b. Roy Morse Park – Adult Softball Site
 - c. Lake Sacajawea – Louisiana at Kessler Site or Cottonwood Nook Site

SECTION 2: SPECIAL EVENT PERMIT REQUIREMENTS

Any person, group, or organization seeking to host an event at City of Longview Parks at which alcohol will be consumed must meet the following conditions prior to permitting:

- A Request to Serve Alcohol Application must be submitted and is required to have:
 - a. A detailed site map including:
 - i. Clearly identified alcohol serving areas (they must be enclosed areas with minimum barrier height of 60 inches)
 - ii. Location of structures, fire lanes, streets, alleys, fencing (indicating location of exits and gates)
 - iii. Location of tents or temporary structures, including dimensions (if any)

- Permit holder is required to obtain a Special Occasion License from the Washington State Liquor Control Board, post the Special Occasion License during the event, and adhere to all its conditions.
 - a. You must be a non-profit organization to charge for alcoholic beverages. It is against the law to allow a third party (i.e.: promoter) to run an event on behalf of a non-profit in exchange for a percentage of the profits. Allowing a third party to collect part of the proceeds or take a cut of the proceeds could prevent your nonprofit from obtaining future Special Occasion Licenses.
 - b. Alcohol beverages to be served and/or sold are limited to beer, wine, and champagne.
 - i. Beer, wine, or champagne may not be sold below cost.
 - ii. Beer, wine, or champagne may not be given as awards or gifts.

- Secure either “Host Liquor Liability” and “Liquor Liability Insurance” which must include the City of Longview as an additional insured for primary and non-contributory limits of liability of \$1,000,000 commercial general liability insurance per occurrence combined single limits, \$2,000,000 aggregate unless waived by the city.

SECTION 3: SPECIAL EVENT APPROVAL PROCESS

Applicants submit a Parks and Recreation Special Event Application and Request to Serve Alcohol Application explaining the nature of the event, site plan, security plan, and the circumstances in which alcohol is proposed to be served and, all applicable fees 60 days prior to the event.

The Department will provide additional feedback, request further information, or provide an approval or denial of the application within (5 business days).

The Organization will then obtain the certificates of insurance required for the event, apply for the Special Occasion License, and provide all copies to the City 30 days prior to the event.

The Director of Parks and Recreation reserves the right to 1) decline an applicant’s request for a Special Event Permit, and 2) limit the number of Special Event Permits issued per site.

Sites may be added to the Special Event Permit list by the Director of Parks and Recreation, only if a request is received from a City Council Member or the public and only after an open community process (which includes but is not limited to the Parks and Recreation Advisory Board and registered neighborhood organizations) is performed to introduce the potential new site and solicit feedback and recommendations.

Once all conditions have satisfied the requirements of the City of Longview, the Parks and Recreation Department will issue a Special Event Permit for the event.
