From: Rec Staff

Date: Sept 6, 2018

Re: August Report

AUGUST DIVISION HIGHLIGHTS

2018 Goals

I. Connect the CommunityII. Quality ExperienceIII. Vision 2025

• Foundation:

Treasurer filed first Annual Report to Secretary of State of Washington. Foundation ownership has officially transferred to the Board officers. The Foundation has received approximately \$6,600 in donations so far, and is finalizing marketing material development to increase awareness of the foundation.

Goals: I, II, III

• Grants/Fundraising:

- Submitted a proposal for grant funding to increase the number of First Lego League Junior teams operating under Parks and Recreation by 6 teams to the Weyerhaeuser Giving Fund in the amount of \$5000.
- Discussing further collaboration with Puget Sound Energy in support of the Teen Center; meeting with staff to update and expand our Teen Center sponsorship information packet and discuss goals for funding expansion of current programs.
- Submitted our final billing to CDBG for our Archie Anderson program, and should receive reimbursement in the amount of \$8,945 within 30 days.
- Beginning the invoice process for NCLI funding support our Summer Kids Go Green program. All summer camp and Archie Anderson participants

were able to go on three field trips to nearby state parks and nature areas. They participated in outdoor recreation at least 3 hours each day, and experienced kayaking, fishing, archery, compass/map, GPS orientation, environmental education and garden and nutrition education through grant funding.

Goals: I, II, III

• Internship:

o Goodwill Intern Chloe Reinecker focused on getting high quality photos of Concerts at the Lake, Summer Kids Go Green and Archie Anderson activities and has created flyers to market Movies at the Lake activities. She created a display of summer youth activities which was exhibited at Family Outdoor Adventure. She has developed the flyer and marketing materials for Extreme Machines, and is working on the Fall school flyer as her final project of her internship, which ends September 7th.

• Marketing:

- Utilized Peachjar to market Movies at the Lake through their free community event special.
- o Fall Brochure design was completed completely in house. Staff noticed a significant reduction in time required to produce this brochure vs. that for Summer 2018, our first in house design, or for issues prior to that which utilized outside designers. We featured local children and the Shay Locomotive on our front cover, and more class/activity pictures of our own participants inside the issue. We also introduced instructor bios in this issue, which was a suggestion we received from our LERN brochure design review. Ad sponsorship totaled \$1575, plus \$935 in trade for Parks and Recreation ad placement in the Chamber of Commerce annual brochure.

• Community Outreach:

- Participated in National Night Out in cooperation with the Highlands Neighborhood Association and the Longview Police Department.
- Participated in Youth and Family Link's Back to School Fair on August 23rd.

Community

- 25 park rentals in August. Includes community events, private and non profit rentals
- o 116 of 126 Community Gardens are rented (92.5%)
- First ever beer garden was allowed at Roy Morse Park for the United Way Softball Tournament held on August 4

• Goals: I, II, III

Goals: I, II, III

Goals: I, II, III

Things to Know: (Upcoming Events/News)

September 8: Seahawks \$5/5K September 15: Cowlitz Tribal Health Walk (hosting a booth)

September 13: Wauna Wellness Fair (hosting a booth)
September 21: Moonlight Run 5K

September 22: Extreme Machines
