LIFE SAVE AWARDS

SUMMARY STATEMENT:

Interim Fire Chief Jim Kambeitz will make three Life Saving Award Presentations.

On August 31, 2018 a citizen was in distress on the river while fishing and through the cooperation of three key individuals, CPR was performed; which saved the citizens life.

Today we will honor:

Trevor Brunelle, who noticed his friend in distress and immediately started CPR.

Justin Noel, Longview Master Firefighter, who noticed someone in distress and headed that way to help with CPR.

Jim Trussell, Longview Master Firefighter, who also noticed someone in distress and helped with CPR.

On behalf of the Longview Fire Department, we would like to thank them for their courage, initiative and lifesaving work. They made a difference and the citizen is alive and well today because of it.

RECOMMENDATIONS FROM LODGING TAX ADVISORY COMMITTEE ON OUTSIDE AGENCY REQUESTS FOR 2019-2020 TOURISM FUNDS

COUNCIL STRATEGIC INITIATIVE ADDRESSED:

Continue effective financial management

CITY ATTORNEY REVIEW: N/A

SUMMARY STATEMENT:

In June the City extended its biennial invitation to submit requests for funding from the Tourism Fund. A news release announcing that the City was taking applications for the funding of projects or events that support tourism in Longview was distributed to various media outlets. The deadline for submitting applications for this funding cycle was June 30. The application process was then opened, and advertised, for a second round, with a deadline of August 30.

The Executive Office received 14 applications. Four applications were also received for General Fund support. The total amount requested for Tourism Fund support was \$85,050 for 2019 and \$81,250 for 2020. The total amount requested for General Fund support was \$32,080 for 2019 and \$32,400 for

2020. Estimated revenues for the 2019-2020 Tourism Fund are \$40,000 annually. The applications of organizations requesting lodging tax funds are included with the agenda summary. Additional financial documentation is available upon request.

On September 13 the Lodging Tax Advisory Committee met and unanimously recommended funding per the attached document called "OAR Applications 2019-2020.

RECOMMENDED ACTION:

Motion to approve the recommendations of the Lodging Tax Advisory Committee and to include in the 2019-2020 Tourism Fund budget the outside agency requests and the amounts as presented in the summary statement above, and to include the requests for the General Fund budget. Council may either approve or reject the recommended individual amounts in full, or refer any recommendation back to the LTAC for further consideration, but cannot increase or decrease an individual amount.

11. **ORDINANCES & RESOLUTIONS**

[18-5598](#)

**ORDINANCE 3388: PROPOSED AMENDMENT TO LMC 5.05
"BUSINESS AND OCCUPATION TAX" TO COMPLY WITH THE
WASHINGTON LEGISLATURE'S REQUIREMENTS UNDER HB 2005**

COUNCIL STRATEGIC INITIATIVE ADDRESSED:

Ensure enforceability of business licensing requirements
Create a unified definition with other statewide entities for simplicity
Foster a business friendly environment
Allow relaxed regulations for emerging business

CITY ATTORNEY REVIEW: REQUIRED

SUMMARY STATEMENT:

The Washington State Legislature passed HB 2005 in 2017. That requires that all statewide municipalities adopt a uniform definition of "Engaging in business" so as to allow businesses to conduct operations without running into disparate and redundant regulatory schemes across various municipalities.

Longview has previously adopted substantially a similar definition of "Engaging in business," but there are several small changes to be made to come into conformity with the new definition.

The same State level legislation also sought to lighten the burden on small and emerging businesses. Changes are proposed to exempt small and emerging businesses from licensing requirements.

As written the motion allows for businesses outside city limits doing less than \$2,000 a year in gross sales to avoid registration. That \$2,000 may be amended at the time of the council meeting. Once a number is set, no changes may be made for four years to ensure a stable business requirement.

Failure to adopt legislation as required in HB 2005 will result in City business licensing code being rendered unenforceable.

RECOMMENDED ACTION:

Motion to adopt Ordinance No. 3388.

CONSULTANT AGREEMENT - KITTELSON & ASSOCIATES FOR TRAFFIC SIGNAL IMPROVEMENTS ON WASHINGTON WAY & 15TH AVENUE CORRIDORS

COUNCIL INITIATIVE ADDRESSED:

Improve transportation systems

CITY ATTORNEY REVIEW: REQUIRED

SUMMARY STATEMENT:

In response to pedestrian fatalities and serious injury left turn crashes on 15th Avenue and Washington Way, the City received federal grants from the Highway Safety Improvement Program and the Surface Transportation Program for Urban Areas to fund traffic signal improvements at intersections on those corridors. The project limits are 15th Avenue from Tennant Way to Washington Way, and Washington Way from 15th Avenue to 9th Avenue.

To reduce left turn crashes, the project will replace 5-section "doghouse style" signal heads providing protected/permissive left turn movements, with new

flashing yellow arrow signal heads to increase safety for the protected/permissive left turn.

To reduce crashes involving pedestrians, the project will implement leading pedestrian intervals for all pedestrian actuated crossings. Leading pedestrian intervals provide a 3 to 7 second head start for pedestrians to begin crossing the street before vehicles are given a green light. The extra time allows a pedestrian to move outside of the vehicle and pedestrian conflict area and become more visible to motorists, before vehicles are given a green light. These leading intervals have been shown to reduce vehicle vs. pedestrian crashes by over 60%, with only minor delays to motorists.

To accomplish these changes, the project will upgrade traffic signal controllers and timing at intersections in the project area. The project will also replace failed detection equipment, and will upgrade other detection equipment at as many of the intersections as funding will allow.

In accordance with Washington state law regarding selection of professional engineering services, staff selected Kittelson & Associates as the most qualified firm to provide the analysis and signal timing services necessary for this project. Attached for your information is the proposed scope of work.

FINANCIAL SUMMARY:

The Kittelson & Associates contract amount is \$149,692. The total estimated project cost is \$875,000, including a local match of \$73,000. The local match is programmed to be paid from the Public Safety Fund.

RECOMMENDED ACTION:

Motion authorizing the City Manager to execute the agreement with Kittelson & Associates.

SET PUBLIC HEARING: PROPOSED REVENUE SOURCES FOR THE 2019 GENERAL FUND BUDGET

COUNCIL STRATEGIC INITIATIVE ADDRESSED:

Continue effective financial management

CITY ATTORNEY REVIEW: N/A

SUMMARY STATEMENT:

RCW 84.55.120 requires cities that collect regular property tax levies to hold a public hearing on the revenue sources for the following year's current expense budget. The hearing must include consideration of possible increases in the property tax revenues and shall be held prior to the time that the City levies the taxes or makes the request to have the taxes levied. Adoption of the 2019

property tax levy and Ad Valorem Tax Ordinance has been scheduled for November 15th, 2018.

RECOMMENDED ACTION:

Motion to set public hearing on 2019 proposed current expense budget revenue sources for November 1, 2018.

FIRE DEPARTMENT STAFFING FOR ADEQUATE FIRE & EMERGENCY RESPONSE (SAFER) GRANT ACCEPTANCE

COUNCIL STRATEGIC INITIATIVE ADDRESSED:

Council Initiative: Enhance Public Safety and Emergency Response

CITY ATTORNEY REVIEW: N/A

SUMMARY STATEMENT:

On April 19, 2018, the Longview City Council met in a workshop to discuss a federally funded opportunity (SAFER) to add additional Fire Fighter/Paramedics. During that workshop the Council was provided information regarding the requirements of the SAFER grant. Operational options were discussed regarding how the increase in staffing would improve daily operational performance. The Council approved staff's request to apply to FEMA for the SAFER grant.

Staff views the grant request as an opportunity to seek alternative funding in the event the Council approves service enhancement to Fire and EMS Services to the city. The grant request has been reviewed favorably by a panel of peers and has been selected for funding, pending the acceptance of the grant by the Longview City Council.

Acceptance of the SAFER Grant will provide financial assistance to hire 3 Firefighter/Paramedics over a 3 year performance period. During the first and second years, the grant funds approximately 75% of wage and benefits and approximately 35% in year three. 3 additional Firefighter/Paramedics will enhance emergency response capabilities in the following ways:

- NFPA 1710 (Standard on Fire Department Deployment) recommends a minimum of 20 firefighters to industrial fire incidents and 15 firefighters for single-family dwelling structure fires. Currently, at minimum staffing we have 10 firefighters on duty from LFD and up to 13 with automatic aid from Cowlitz 2 Fire & Rescue. Additional firefighters on scene will move us closer to the NFPA 1710 Standard.
- Private ambulance availability is a continuing concern. Increased staffing of the LFD Ambulance will work towards improving emergency medical services to the citizens of Longview. With our latest improvements in

Cardiac Survivability, it is our goal to continue this success.

The grant amount to the City, if awarded would be \$578,976.00 over a three-year performance period which would offset wage & benefit costs of additional firefighter staffing.

RECOMMENDED ACTION:

Motion to accept the SAFER grant

STAFF CONTACT:

UPDATE OF THE CURRENT REVOLVING LOAN FUND PLAN TO MEET ECONOMIC DEVELOPMENT ADMINISTRATION (EDA) REQUIREMENTS

COUNCIL STRATEGIC INITIATIVE ADDRESSED:

Strengthen economic conditions and create new opportunities

CITY ATTORNEY REVIEW: N/A

SUMMARY STATEMENT:

The City of Longview and the Cowlitz-Wahkiakum Council of Governments (CWCOG) have jointly administered the Revolving Loan Fund since the CWCOG originally applied for EDA funds. The City of Longview was the only local entity providing local match funding for the program. The program has been operating under a plan approved by the parties and EDA. EDA requires an update of the plan every five years.

EDA recently published revisions to the regulations implementing the Public Works and Economic Development Act, which govern EDA's Revolving Loan Fund (RLF) Program. The updated regulations establish the risk analysis system, which is designed to provide more efficient oversight of the RLF Program. The Plan addresses this requirement as well as the historic requirements.

The draft plan was recently reviewed by the Loan Administration Board (LAB) appointed by the City of Longview. The LAB recommended approval of the Plan to the CWCOG Board of Directors and to the Longview City Council.

Approval of this agenda item is meant to meet program requirements set forth by the Economic Development Administration. The Plan will govern the operations of the Revolving Loan Fund.

RECOMMENDED ACTION:

Motion to approve the update of the current Revolving Loan Fund Plan as necessary to meet the Economic Development Administration requirements.
