ZONING CODE AMENDMENTS REGARDING RECREATIONAL VEHICLE (RV) PARK STANDARDS

COUNCIL STRATEGIC INITIATIVE ADDRESSED:

Council Initiative: Preserve and enhance neighborhoods

CITY ATTORNEY REVIEW: N/A

SUMMARY STATEMENT:

The City currently allows recreational vehicle parks (RV parks) in the following zoning districts:

- Mixed Use - Commercial/Industrial District upon receiving a special property use permit
- Heavy Industrial District (only allowed to locate in a public park - Gearhart Gardens Park)
- General Commercial District

- Riverfront District
- County Event Center District (RV parks in this district are only intended for activities at the event center or other community events - occupancy is limited to 14 days in any 30 day period)

Even though RV parks are allowed in the city, the city never adopted development standards for them. Although, Cowlitz County does have health regulations that apply to RV parks whether the park is in an unincorporated or an incorporated area. See Exhibit A for the two Cowlitz County code sections that apply to Longview. The proposal, if adopted, will provide some basic development standards for RV parks to help ensure that they are compatible with the neighborhood.

The proposal will also clarify the approval process for RV parks. Currently, the approval process is not clearly given or there are differing approval processes depending on the specific zoning district. Under the proposal, all RV parks will be approved through the Binding Site Plan process as given in LMC Chapter 19.90.

The proposed zoning code amendments are intended for short-stay recreational vehicle parks. They are not intended for RV parks where longer stays are allowed.

The Planning Commission held a public hearing on the proposal at their December 12 special meeting. One person provided comments. Following the public hearing, the Planning Commission voted unanimously to recommend approval of the proposed zoning code amendments. The recommended code amendments are attached as Exhibit B.

Motion to accept the Planning Commission recommendation and direct the city attorney to draft an ordinance for council review and approval

2019 STATE LEGISLATIVE AGENDA

COUNCIL STRATEGIC INITIATIVE ADDRESSED:

Council Initiative: All

CITY ATTORNEY REVIEW: N/A

SUMMARY STATEMENT:

Attached is a draft of the city's 2019 State Legislative Agenda. The City Council reviewed an earlier version of this agenda at a workshop on November 8, 2018, and this version was presented for discussion with 19th District legislators at a dinner meeting on December 12, 2018.

Our state legislative agenda is always a work in progress, meaning it is subject to amendment as political and legislative issues change and unanticipated opportunities arise. The city's legislative agenda identifies issues of interest primarily to the City of Longview, but also there are some issues of interest to the "city family" throughout the state by reference to the Association of Washington Cities' legislative agenda. This agenda provides guidance to city representatives for communicating with legislators and other state officials about proposed legislation, rule-writing, and the administration of state programs.

RECOMMENDED ACTION:

Motion to adopt the 2019 State Legislative Agenda.

SPECIAL 2% LODGING TAX COLLECTIONS IN COWLITZ COUNTY

COUNCIL STRATEGIC INITIATIVE ADDRESSED:

Continue effective financial management
Address quality of place issues

CITY ATTORNEY REVIEW: N/A

SUMMARY STATEMENT:

The attached letter addressed to the region's legislative delegation requests that area legislators consider an amendment to the statute governing the collection of the "special 2%" lodging tax provided for within RCW 67.28.181.

Unlike most cities in the state, the cities within Cowlitz County currently do not receive this portion of the lodging tax because state statute grants Cowlitz County with the authority for its collection and expenditure. The proposed legislation would allow cities in Cowlitz County to keep more of the revenue that is generated within our borders to fund tourism promotion activities within our individual communities. The requested change would give Cowlitz County cities the same collection authority as the majority of cities in the state of Washington.

Amending the statute to provide cities in Cowlitz County the same 2% special lodging tax authority that has been given to most other cities within the state of Washington would not raise taxes but would double the amount of revenue each city is currently collecting. The additional 2% special lodging tax for the City of Longview would generate approximately \$40,000.00.

RECOMMENDED ACTION:

Motion to authorize the Mayor to sign the letter requesting consideration of the "Special 2%" Lodging Tax in Cowlitz County.
