7A <u>18-5653</u> Longview Outdoor Gallery Presentation

Attachments: 2017 LOG PRESENTATION May 26 2018 with game.pdf

LOG winner for People's Choice has been chosen however, the winners have not yet been publically notified.

The Outdoor Gallery Board along with Deborah Anderson as photographer have created a presentation for the public and ask the commission to review. The members discussed ways to notify the community that certain sculptures are interactive and should be touched versus the normal rule about not touching sculptures. Hans suggested that LOG be allowed to give this presentation to parks and recreation participants for any art classes we hold. Justin and Hans will discuss this outside of the meeting.

ents: Lelooksa Campfire Totem Pole - History and Required Maintenance.pdf

The commission was asked if they had any interest in assuming responsibility for the totem pole and subsequent maintenance. Jon-Erik asked for a price comparison between simply replacing the pole entirely versus repairing the current one. The board agreed that the first step would be to obtain the complete cost of repairs prior to any decision being made to assume responsibility. Jon-Erik agreed to reach out to the appropriate stakeholders to obtain the information needed to vote for assumption of responsibility.

8. Adjournment

Meeting adjourned at 6:10 p.m. Next Meeting - January 23, 2019
