COUNCIL STRATEGIC INITIATIVE ADDRESSED:

Address quality of place issues

CITY ATTORNEY REVIEW: Required

SUMMARY STATEMENT:

The Longview Sandbaggers co-host the annual Squirreelfest event in Longview, and unveil a new squirrel bridge to be installed over the public right-of-way at the festival. The Sandbaggers then coordinate with city staff to install the bridge. The Sandbaggers retain ownership of each bridge for one year after installation before presenting a title of ownership to the City. Ownership acceptance by ordinance is required by the Longview Municipal Code. Ordinance No. 3382 will accept the gift of a squirrel bridge hung in 2017.

FINANCIAL SUMMARY:

Each bridge will require periodic maintenance, the cost of which is anticipated to be minimal.

RECOMMENDED ACTION:

Motion to adopt Ordinance No. 3382.

SET PUBLIC HEARING

**SIX YEAR TRANSPORTATION IMPROVEMENT PROGRAM (T.I.P.)
2019-2024**

COUNCIL STRATEGIC INITIATIVE ADDRESSED:

Improve streets and roads
Improve transportation systems.

SUMMARY STATEMENT:

State law requires that each city update its Six-Year Transportation Improvement Program (T.I.P.) annually and file a copy of the adopted program with the Secretary of Transportation. In order to obtain federal funding, a project must appear on the T.I.P. After adoption, the T.I.P. can be subsequently amended to include new projects and funding sources.

Copies of the draft T.I.P. will be distributed to the city council at least one week prior to the public hearing.

RECOMMENDED ACTION:

Motion to set the city council meeting on July 12, 2018, as the date and time for a public hearing on the 2019-2024 Six-Year T.I.P.

ENGINEERING SERVICES CONTRACT WITH KITTELSON AND ASSOCIATES FOR SR 432 / CALIFORNIA WAY INTERSECTION IMPROVEMENTS PROJECT**COUNCIL INITIATIVE ADDRESSED:**

Improve transportation systems

CITY ATTORNEY REVIEW: YES**SUMMARY STATEMENT:**

State Route 432 is an important regional and interstate freight corridor that carries more than 10 million tons of freight per year and connects Oregon to Interstate 5. The Cowlitz-Wahkiakum Council of Governments, in cooperation with Longview and other local agencies, completed the *SR 432 Highway Improvement & Rail Realignment Study* (Study) in September 2014. The Study identified Tier 1, Tier 2, and Market-driven improvement projects to mitigate current and future congestion and impacts on the local street network, emergency responders, and travel reliability through the corridor.

The SR 423 / California Way Intersection Improvements project is identified as a Tier 2 project in the Study. The city was awarded a \$5.3 million federal grant for design, right-of-way acquisition, and construction of the proposed project. The concept submitted in the grant application showed realigning California Way to line up with East Industrial Way intersection and traffic signal, and eliminating the existing California Way traffic signal. Federal regulations require that an alternatives analysis be completed to determine the best practical solution for the intersection design. This alternative analysis will be completed as part of phase 1 design.

In accordance with Washington state law regarding selection of professional engineering services, staff selected Kittelson and Associates as the most qualified firm to provide services necessary for design of this project. The scope of work includes:

Phase 1:

- Preliminary engineering and traffic analysis
- Public involvement to review preliminary design
- Initiate environmental review and permitting

Phase 2:

- Complete environmental review and permitting
- Final design
- Right-of-way acquisition if needed
- Design support during construction bidding
- Construction management and inspection

Phase 2 services are not included in current scope of work and contract amount, but will be added after preliminary engineering analysis is completed and an alternative selected.

FINANCIAL SUMMARY:

The proposed engineering contract amount is \$128,334, which will be paid by the grant. The \$5.3 million federal grant for the SR 432/California Way Intersection project does not require a local match. However, all costs exceeding \$5.3 million and all costs incurred after the grant completion deadline, will be the responsibility of the City.

RECOMMENDED ACTION:

Motion authorizing the City Manager to execute the agreement with Kittelson and Associates.

**50TH AVENUE/OCEAN BEACH HIGHWAY ANNEXATION - SCHEDULE
PUBLIC HEARING**

COUNCIL STRATEGIC INITIATIVE ADDRESSED:

Council Initiative: Preserve and enhance neighborhoods

CITY ATTORNEY REVIEW: N/A

SUMMARY STATEMENT:

At their April 26 meeting, the City Council accepted an annexation request for an area located on the northwest corner of the 50th Avenue/Ocean Beach Highway intersection. The proposed annexation area consists of 2 tax parcels and is approximately 4.2 acres in size. It includes two single-family homes. The total assessed valuation of the area is approximately \$249,040.

City staff has since developed a 60% annexation petition that was given to the applicant to acquire signatures. On May 30, the applicant submitted the signed petition. On May 31, the petition was submitted to the Cowlitz County Assessor's Office for verification of signatures.

When a legally sufficient petition is filed, the Council needs to fix a date for a public hearing. City staff is asking the Council to schedule a public hearing for their July 12, 2018 regular meeting.

**RESOLUTION NO. 2269 - INTENT TO FORM LOCAL
IMPROVEMENT DISTRICT FOR BEECH STREET
IMPROVEMENTS AND SET PUBLIC HEARING**

COUNCIL STRATEGIC INITIATIVE ADDRESSED:

Improve transportation system, enhance public safety & emergency response, strengthen economic conditions & create new opportunities.

CITY ATTORNEY REVIEW: Required

SUMMARY STATEMENT:

The Engineering Division has received a petition for the formation of a Local Improvement District (LID) to construct Beech Street between 14th Avenue to California Way. The proposed work includes constructing full street improvements consisting of roadway pavement, sidewalks, curb and gutter, drainage systems, street trees, lighting, and other appropriate items.

The LID petition was signed by the owners of 71.82% of the area within the proposed district. In accordance with state law, the City council must adopt a resolution of intent to form the LID and set a public hearing to consider establishing the LID proposed by the petitioners, or the City Council must reject the petition and deny formation of the district.

FINANCIAL SUMMARY:

The total project cost is estimated to be \$4,430,000 and the total available assessment is estimated to be \$3,699,231. To reduce the property owner assessments and cover the funding gap, the City will use \$125,000 previously collected from nearby commercial developments for improvements to Beech Street, \$125,000 in motor vehicle fuel tax revenue allocated as matching funds for Beech Street, and \$575,000 in Cowlitz Rural Public Facilities Grant funds for improvements to Beech Street. The City has also applied for a federal Economic Development Administration grant.

RECOMMENDED ACTION:

Motion to adopt Resolution No. 2269.
