RESOLUTION NO. 2283 - UTILITY RATE REDUCTION PROGRAM FOR TRANSITIONAL HOUSING PROVIDERS

COUNCIL STRATEGIC INITIATIVE ADDRESSED:

Council Initiative: Continue effective financial management

CITY ATTORNEY REVIEW: REQUIRED or N/A

SUMMARY STATEMENT:

The City Council has established a utility rate reduction program for low-income senior citizens and low-income disabled citizens of the City. Currently, low-income seniors and disabled citizens participating in the utility rate-relief program have utility service established in their name and reside in single family households. Resolution No. 2283 expands the existing program to include utility rate relief for transitional housing providers.

The City Council is cognizant of the financial hardship on low-income and disabled transitional housing providers that provide living quarters free of rent. Therefore, in addition to providing a rate reduction to low-income single family households, the rate reduction program is being expanded to transitional housing providers that provide living quarters to those with the greatest need free of rent. Preliminary estimates indicate that total program benefits

including those for transitional housing providers will approximate \$200,000.00 annually.

RECOMMENDED ACTION:

Motion to adopt Resolution No. 2283 providing for the utility rate reduction program for low-income seniors and disabled citizens.

[18-5693](#)**WASHINGTON WAY BRIDGE INTERFUND LOAN UPDATE****COUNCIL STRATEGIC INITIATIVE ADDRESSED:**

Council Initiative: Continue effective financial management

CITY ATTORNEY REVIEW: N/A

SUMMARY STATEMENT:

Resolution No. 2166 established an interfund loan in the amount of \$1,435,000.00 from the General Fund to the Arterial Street Fund for the purpose of providing for the City's share of costs for the Washington Way Bridge. This Resolution calls for City staff to present to Council the status of the loan on an annual basis.

The effective date of the original interfund loan was January 1, 2016. In September 2016, the Arterial Street Fund repaid \$300,000.00 principal to the General Fund, reducing the principal balance of this loan to \$1,135,000.00. For the period January 1, 2016 through September 30, 2016 the interest paid on this loan totaled \$4,895.74. The average interest rate for this period was less than one-half of one percent (0.4548%).

In December 2017, the Arterial Street Fund repaid an additional \$300,000.00 principal on this loan which left the remaining principal balance on this interfund loan at \$835,000.00.

In December 2018, the Arterial Street Fund will repay an additional

\$100,000.00

principal on this loan. Following the principal repayment of \$100,000.00 in December, the remaining principal balance on this interfund loan will total \$735,000.00. The interest payment for the period January 1, 2018 through December 31, 2018 totals \$16,101.10. For the period October 2016 through December 2016, the average interest rate was 1.1027%.

Had the City sought conventional bond financing for its share of the Washington

Way bridge project life-to-date interest costs at 3 percent, interest would have totaled

\$98,150.00. Having borrowed the money internally from ourselves, life-to-date interest charges total \$33,169.63, resulting in an interest savings of \$64,980.37.

RECOMMENDED ACTION:

No action required.

LEASE WITH LONGVIEW TACTICAL, INC. FOR INDOOR SHOOTING RANGE**COUNCIL STRATEGIC INITIATIVE ADDRESSED:**

Council Initiative: Enhance Public Safety and Emergency Response

CITY ATTORNEY REVIEW: REQUIRED**SUMMARY STATEMENT:**

The attached lease agreement provides for the Longview Police Department (LPD) to enter into a lease agreement with Longview Tactical Inc. at 645 California Way Longview, WA for use of the 50 yard range side of the premises and the adjacent training room. In addition to this 8400 total square feet of the Indoor Shooting Range Building, the Lessor agrees to make available 12 parking spaces for the police department's exclusive use during

those hours we are using the premises. The term of the lease is twenty-five (25) years.

The range will be used as a firearms training facility allowing the use of rifles, pistols, and shotguns. LPD will use the range for its quarterly firearms certification training, new firearm certification, detective training and Special Weapons and Tactics Training (SWAT) as well as any additional training needed by LPD.

The City of Longview was awarded \$271,000.00 from the State of Washington towards this project and is in the process of applying for a FARR Grant, which requires a signed lease to complete the application. This Grant is for \$150,000.00.

The Longview Police Department will soon have no local place to do the required training and qualification with weapons. This would require LPD to go out of town for range time resulting in extra costs to the city.

The new range would also benefit the community as there are very few places for citizens to shoot their firearms. This range will have lessons as well as gun rentals for use at the range.

RECOMMENDED ACTION:

Motion to approve the lease with Longview Tactical, Inc. and authorize the City Manager to sign the lease agreement.
