PUBLIC HEARING - AMENDED SIX YEAR TRANSPORTATION IMPROVEMENT PROGRAM (T.I.P.) 2017-2022

COUNCIL STRATEGIC INITIATIVE ADDRESSED:

Improve transportation systems
Improve streets and roads

CITY ATTORNEY REVIEW: N/A

SUMMARY STATEMENT:

Each year, the City adopts a Six-Year Transportation Improvement Program (T.I.P.) identifying transportation projects to be addressed during the subsequent six-year period. Any project receiving federal funds, and some state-funded projects, must be identified on the T.I.P., but the T.I.P. also identifies projects we intend to submit for grant funding. Throughout the year, priorities may change, additional projects may be identified, and project funding sources may change. Following a public hearing, the T.I.P. may be amended to account for such changes.

The current 2017 - 2022 T.I.P. was adopted by the City Council on July 14, 2016 (Res. No. 2185). Staff recommends amending the 2017 - 2022 T.I.P. to include a new public transit project (Priority No. 9) and a new transportation facility project (Priority No. 10). In order to be eligible for this funding, the T.I.P. must be amended to identify these grant funds.

RECOMMENDED ACTION:

Conduct the public hearing.
