SUMMARY STATEMENT:

AWC's Certificate of Municipal Leadership program provides Council members training to effectively operate within the law, plan for the future, secure and manage funds and foster community and staff relationships. The courses help mayors and councilmembers learn the essentials of municipal service and improve their ability to work with council colleagues, city staff, and citizens. This certification is awarded when an elected official achieves 30 or more credits through a variety of AWC sponsored workshops and completes community service.
