| Title: | INDOOR SHOOTING RANGE PRESENTATION | | | | |

SUMMARY STATEMENT:

The Longview Police Department has been working on a new Law Enforcement Firearm Training Range for the last two and a half years. The current outdoor range we are using will soon be closed and is inadequate. This presentation is a proposal for an indoor range located within the city limits of Longview, partnering with Firing Range Services (FRS). We have currently been awarded \$271,000.00 from the State of Washington towards this project.

This FRS firearm range would not only be an excellent training range for our officers but would also be a benefit to the community; not only for individual use but as a draw to the City of Longview.

RECOMMENDED ACTION:

Approve CIP request for \$700,000 in 2019-2020 budget
Direct staff for a lease agreement with Firing Range Services
