PUBLIC HEARING - SIX YEAR TRANSPORTATION IMPROVEMENT PROGRAM (T.I.P.) 2019- 2024 AND RIVERCITIES TRANSIT PROGRAM OF PROJECTS**COUNCIL STRATEGIC INITIATIVE ADDRESSED:**

Improve transportation systems

CITY ATTORNEY REVIEW: N/A**SUMMARY STATEMENT:**

Each year, as required by state law, the City updates and adopts a Six-Year Transportation Improvement Program (T.I.P.). The T.I.P. is a priority listing of funded or proposed transportation-related projects within the City. The T.I.P. identifies the year and the funding sources for the various projects, as well as other basic information on the projects. In order to receive federal or state funding, a project must appear on the City's adopted T.I.P. However, the T.I.P. may be amended by the City Council at any time to add or delete projects or change funding sources and amount, following a public hearing on the proposed amendment.

Additionally, federal law requires transit agencies receiving Federal Transit Administration funding to prepare a Program of Projects (POP) identifying the projects to be funded with such FTA funding, and to conduct a public hearing and outreach process prior to adopting the POP. The T.I.P. includes FTA funded projects and meets the requirements of the POP.

RECOMMENDED ACTION:

Conduct the public hearing.
