RESOLUTION NO. TBD 17-01: INTERLOCAL AGREEMENT WITH CITY OF LONGVIEW

SUMMARY STATEMENT:

The Longview Transportation Benefit District was formed by the Longview City Council pursuant to City of Longview Ordinance No. 3334. In accordance with state law, the District is a special district, legally separate from the City of Longview. To accomplish the goals of the District and comply with state law, the District may hire its own staff, retain professional services firms, or may enter into an agreement with the City of Longview. By state law, the City of Longview Treasurer shall serve as the Treasurer for the District unless provided otherwise by interlocal agreement with the City of Longview.

Attached is a proposed interlocal agreement specifying the City of Longview will provide administrative support, financial accounting and reporting, design, and other services to support the District. The agreement also specifies the District will pay the costs incurred by the City to provide such services, and that all District revenue will be provided to the City for the purpose of implementing the District's Transportation Improvements Plan.

RECOMMENDED ACTION:

Motion to approve Resolution No. TBD 17-01.
