PROPOSAL REVIEW - LONGVIEW WEB SITE REDESIGN

COUNCIL STRATEGIC INITIATIVE ADDRESSED:

Address quality of place issues

SUMMARY STATEMENT:

The project involves developing a new City of Longview Web site. The current web site does not meet standards for ADA accessibility and does not provide a modern look and feel or mobile device ready.

The new City Web site will be redesigned to meet ADA accessibility requirements and be responsive to any screen size.

FINANCIAL SUMMARY:

This project is funded through the Office Equipment Replacement Fund

RECOMMENDED ACTION:

Motion to accept the proposal and award a contract to CivicPlus, in the amount of \$49,936.

STAFF CONTACT:

Todd Dodgin, Information Technology Director
